ATTENDANCE AND DOCUMENTATION OF TIME

1. The school records attendance in clock hours and gives appropriately earned attendance credit for all hours attended and does not add or deduct attendance hours as a penalty. Attendance is calculated using an attendance tracking app called Edular. It is the responsibility of the Future Professional to record their hours by checking in and out through the app. If a Future Professional fails to clock in or out for their schedule, the Future Professional will not receive hours.

It is the responsibility of the Future Professional to ensure that they are properly clocking in and out as required. If a Future Professional fails to clock in or out for their schedule on the Future Professional time-clock, the Future Professional will not receive hours for the time with missed time punches. To ensure proper credit for clock hours, Future Professionals are required to clock in or out at the following times:

- When they arrive at school,
- When they leave for lunch,
- When they return from lunch,
- When they leave at the end of the day;
- If a Future Professional leaves the premises for any reason, and
- If a Future Professional is taking a break over 10 minutes, they are required to clock out.

If the Future Professional wishes to dispute any hours they feel earned, the Future Professional must provide documentation to verify attendance on the missing time form. The documentation could include the Future Professional sign in sheet, the specialty class attendance role, and/or the guest service summary.

If a Future Professional is experiencing timeclock challenges and are unable to clock in or out, they must report the challenge to the Future Professional Advisor within 24 hours.

2. The school is open Monday - Friday from 9:00 AM to 4:30 PM for day Future Professionals, 9:00 AM-6:30 PM for Future Professionals on a 3-day schedule; and Monday through Thursday 5:00 PM-10:00PM for night Future Professionals.

3. The Future Professional must attend school according to the schedule in the Future Professional’s enrollment agreement. All programs require continuous attendance.

4. The following are mandatory attendance days: Night Future Professionals may not miss Mondays; day Future Professionals may not miss Monday and Friday. Failure to attend mandatory days may result in an advisory. If a Future Professional is unable to attend a mandatory day they may find a substitute and submit the Substitution Request Form to the Future Professional Advisor for approval.

5. Future Professionals must be on time, as tardiness inhibits the learning process. Future Professionals who are late for any class must be accompanied into the classroom by a Learning Leader. Future Professionals are never excused from mandatory theory classes to work in the clinic classroom.

6. Attendance Expectation Generally: Future Professionals must maintain a 100% attendance average each month in order to complete the program by the expected/calculated completion date. The school attendance policy requires 80% to maintain satisfactory progress. Falling below this number means that the Future Professional may receive a coaching on the advisory form for their attendance.

7. CORE/Protege Attendance Expectation: Future Professionals attend Core/Protege during their first weeks of enrollment. If a Future Professional misses any time in Core, they are responsible for coordinating with their Learning Leader to obtain handouts, notes and assignments. During the period of Core a maximum of 21 unexcused absence hours may be missed. If the Future Professional missed more than 21 hours of Core, the Future Professional may be withdrawn from the program and may be required to re-enroll into the next Core start date they qualify for.

8. Extra Instructional Charges: During the contracted enrollment period, the Future Professional is required to maintain an average monthly attendance of at least 80% in order to complete the program by the expected or calculated completion date. The Future Professional is allowed up to 20% of their scheduled hours as absent time, which may be used for personal needs such as illness or doctor appointments. However, if the Future Professional is absent for 14 consecutive calendar days, they may be subject to termination. If additional program hours are required beyond the expected or calculated completion date—due to falling below the 80% attendance requirement or if training extends past the contracted end date—extra instructional charges will apply. These charges will be assessed based on the hourly rate stated in the student's enrollment agreement.

9. Future Professionals are required to be in attendance and actively participating in their education. When a Future Professional is scheduled for attendance but not present, these will be reflected as absent hours. If a Future Professional does not clock in or out properly resulting in the hours not being counted, these will be reflected in the absent hours unless the missing time form and necessary documentation is provided as outlined in the catalog.

If a Future Professional is absent refer to the school make-up hour policy on how to make-up those hours. Please keep in mind make-up hours and policies are optional for the school to provide and may be changed.

Future Professionals will receive clock hours during the times they fully participate in their learning experience.

10. Vacation and Planned Time Away (e.g. medical appointments, outside commitments): Future Professionals must request planned time off from school from the Future Professional Advisor and the Financial Services Leader. The approval of any request does not mean that the Future Professional will continue to meet the attendance requirements.

11. Unplanned Absences or Tardiness: Future Professionals who are late or cannot attend school must contact the school and talk to the school service desk team immediately. Day Future Professionals must call in by 8:30 AM. Night Future Professionals must call in by 4:30 PM.

12. Lunches and breaks are scheduled for all Future Professionals. All full-time Future Professionals are required to take a 30-minute lunch break. Future Professionals should communicate with their Learning Leader if they have not had lunch by 1:30 p.m. Part-time Future Professionals will take a 10-minute break as scheduled by school administration.

Observe the appropriate breaks for your school schedule. Breaks are as follows:

Future Professional Schedule	Breaks	Lunch	Dinner
10 hr/day	10 min. in the morning & 10 min in the afternoon	30 min.	30 min.

13. Documentation of time: Future Professionals may not leave the school premises during regular hours without a Learning Leader's permission.

- Future Professionals who leave the school premises for more than 10 minutes or those who leave early must document their time by clocking out on the time clock, signing the sign-out sheet, and having a Learning Leader book them out.

- Future Professionals who leave the school premises for less than 10 minutes must sign the sign-out break sheet.
- Day Future Professionals must clock out on the time clock for lunch for 30 minutes every day. Future Professionals will not receive credit for the hour if they fail to clock in/out for lunch.

14. Future Professionals can not clock in or out for another Future Professional.
15. Future Professionals can not ask others to clock them in or out.
16. Future Professionals must keep a record of all services performed each day digitally via the Edular app.
